SUBJECT INDEX

- abdominal aortic aneurysm *see* aneurysm
- abduction, shoulder; restoration of with phrenic nerve transfer 783
- abscess
- diverticular after revision total hip replacement (Case Report) 80
 - glossal unusual cause of lingual swelling (Case Report) 374
 - scrotal and urethral carcinoma (Case Report) 315
 - splenic and cat scratch disease (Case Report) 622
 - splenic *Clostridium difficile* (Case Report) 147
- abstracts
- 2000 Annual Scientific Congress A23, 738 (Corrigendum) 624
 - Annual Scientific Meeting of the Urological Society of Australasia, March 1999 A1, A12
 - Annual Scientific Meeting of the Urological Society of Australasia, March 2000 A157, A165
- achalasia laparoscopic Heller myotomy for 582
- adenoma
- hepatic anabolic steroid-induced (Case Report) 686
 - parathyroid localization of with bone scintigraphy (Case Report) 817
- adhesions
- prevention of (Editorial) 399, (Comment & Reply) 900
 - surgical evidence for adsorption of surfactant to peritoneal mesothelium (Surg. Research) 443
- adnexal pathology in children, use of laparoscopy 192
- airbag injuries upper limb fractures (Case Report) 377
- allelic imbalance in colorectal cancer 587
- allograft, femoral head contamination of banked 480
- amiodarone -associated thyrotoxicosis, surgery and anaesthesia for (Editorial) 155, 174
- anabolic steroids and hepatic adenomas with bleeding (Case Report) 686
- anaesthesia
- discovery and introduction of chloroform (Surg. History) 862
 - thyroid surgery 490
 - use of simulators in training (Surg. Education) 735
- anal fissure treatment of 19
- anastomosis
- and bowel surgery, in-hospital mortality and associated complications after 6
 - intrathoracic oesophageal and cancer (CME) 677
- anatomical variant palmaris longus tendon (Case Report) 538
- andenocarcinoma Barrett's and *Helicobacter pylori* infection in 26
- aneurysm
- abdominal aortic
 - cost of repair 660
 - endoluminal grafting for (Editorial) 767
 - angiomyolipoma peripheral renal (Case Report) 78
 - Annual Scientific Congress Abstracts of the 2000 meeting A23, 738 (Corrigendum) 624
 - anorectum pilonidal disease in Singapore 196
 - antagonists, calcium and reduction of intimal hyperplasia (Surg. Research) 64
 - anticoagulation successful use of Orgaran and Aprotinin in coronary artery bypass complicated with thrombocytopenia (Case Report) 819
 - anti-reflux surgery emerging trends in (Ed. Comment) 473
 - aortic valve replacement of, in a patient with liver cirrhosis and thrombocytopenia (Case Report) 76
 - appendicectomy in children, length of stay after 43
 - appendicitis
 - in the elderly 593
 - lipohyperplasia of the ileo-caecal valve causing (Case Report) 76
 - appendix blunt trauma to (Case Report) 238
 - Aprotinin as anticoagulant in coronary artery bypass complicated with thrombocytopenia (Case Report) 819
- artery
- carotid radionecrosis of (Case Report) 237
 - radial simplified method of harvesting and dilating the (Surg. Technique) 366
- arthroplasty
- total hip embolization as a treatment for bleeding after (Case Report) 469
 - total knee 351
- asbestos and mesothelioma (Case Report) 384
- audit
- diagnostic and therapeutic endoscopic retrograde cholangiopancreatography 778
 - national of breast surgery 834

 sweating by the surgeon, causing operative field infection 837
 swelling, lingual and glossal abscess
 sympathectomy, thoracoscopic one-port technique (Surg. Technique) 800
 sympathetic nerve function, skin wrinkling assessment of 57
 synovitis, plant thorn and Phoenix date palm (Review) 355
 systemic inflammatory response syndrome management of and leaking anterior resection (Found. Lecture) 90
- T
- technetium localization of parathyroid adenoma with bone scintigraphy (Case Report) 817
 Tenckhoff catheter insertion of in continuous ambulatory peritoneal dialysis patients (Surg. Technique) 371
 testes torsion of, and delay in presentation 441
The Australian and New Zealand Journal of Surgery future development of (Editorial) 769
 thrombocytopenia, heparin-induced treated with Orgaran and Aprotinin (Case Report) 819
 thrombosis and tibial osteochondroma (Case Report) 459
 thymus malignant melanoma originating in the (Case Report) 753
 thyroid
 gland Zuckerkandl's tubercle of 251
 surgery
 and anaesthesia 490
 voice-related outcomes 179
 thyroidectomy refractory amiodarone-associated thyrotoxicosis, indication for 174
 thyrotoxicosis, amiodarone-associated surgery and anaesthesia for 174, (Editorial) 155
 TIPSS *see* transjugular intrahepatic portosystemic shunt
 torsion, testicular delay in presentation 441
 total mesorectal excision
 and rectal cancer (Personal View) 675
 extrafascial excision in rectal cancer 704, (Editorial) 699
 training
 anaesthetic simulators (Surg. Education) 735
 cardiopulmonary resuscitation and basic life support (Found. Lecture) 3
- surgical
 of doctors in their own isolated hospital (Pers. View) 456
 progress of in Papua New Guinea (Surg. Education) 302
 transjugular intrahepatic portosystemic shunt liver transplantation in patients with 493
 transplantation, liver in patients with transjugular intrahepatic portosystemic shunt 493
 trans-sphenoidal surgery complications of 405
 transurethral resection of the prostate in-hospital mortality after in Victorian public hospitals 204
 trauma
 audit methodology in road fatalities 710
 blunt
 to the appendix (Case Report) 238
 to the liver staged hemihepatectomy after 503
 to the spleen 333
 craniomaxillofacial changing patterns of in Auckland 401
 grasper during laparoscopic cholecystectomy 578
 management of children with small bowel rupture 795
 team response and evaluation 329
 treatment of enterocutaneous fistula with histoacryl glue (Case Report) 748
 tuberculosis, pancreatic primary, presentation and diagnosis (Case Report) 141
 tumour, parotid management of intraparotid facial nerve schwannoma (Review) 732
 TURP *see* transurethral resection of the prostate
- U
- urethroplasty, tubularized incised plate review of 'Snodgrass' repair 597
 urinary tract symptoms a community study of in older men in Sydney Australia 322
 Urological Society of Australasia
 abstracts of the March 1999 Annual Scientific Meeting A1, A12
 abstracts of the March 2000 Annual Scientific Meeting A157, A165
- V
- vaccination, bacille Calmette-Guérin infection of the lymph nodes after (Case Report) 902
 vaccinia necrosum a forgotten disease (Case Report) 149
 vagotomy, highly selective treatment for gastro-oesophageal reflux disease 22
 vancomycin-resistant enterococcus and *Clostridium difficile* splenic abscess (Case Report) 147
 vascular surgery and Robert Liston (Surg. History) 60
 vein, renal peripheral renal angiomyolipoma extension into the (Case Report) 78
 verapamil reduces intimal hyperplasia in sheep model (Surg. Research) 64
 voice and thyroid surgery 179
 volvulus, large bowel in childhood 259
- W
- wound
 gunshot management of 209
 healing effects of laparotomy and CO₂ insufflation, in mice (Surg. Research) 742
 infection, surgical and bacteraemia, risk factors for 47
- Z
- Zuckerkandl's tubercle of the thyroid gland with pressure symptoms 251
